# Etimat Labelling Machine

## Specifications

**microprocess controlled  
stepping motor drive**

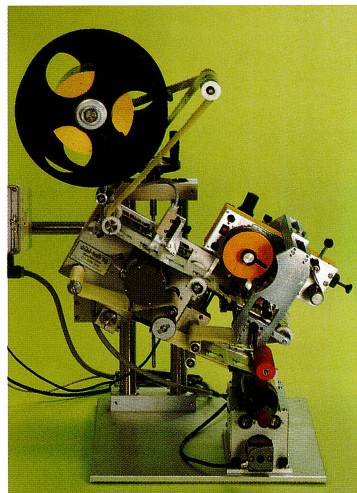

type	label width max. (mm)	labelling speed		label roll		different mounting (for all systems)
		standard (m/min)	special (m/min)	outside Ø (mm)	core Ø (mm)	
EM 60	60	30	80	300	40	<ul style="list-style-type: none"> <li>• left or right execution</li> <li>• horizontal mounting from top or bottom of production machine</li> </ul>
EM 80	80	30	80	300	40	
EM 120	120	30	80	300	40	
EM 160	160	30		300	40	
EM 200	200	30		300	40	
EM 300	300	30		300	40	

## special applications available

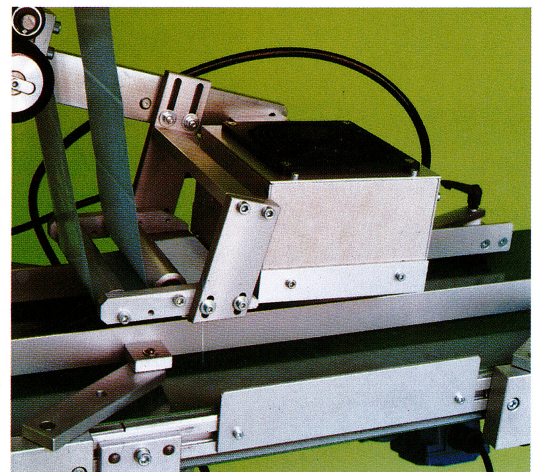

power supply 230 V, 50/60 Hz  
labelling accuracy +/- 0,5 mm

## with Seci-Printer hot foil printing machine

## airbox

Producer

# dübi-tech ag
